

## **CITATION FOR LORY DARK VOLUNTEER OF THE YEAR FOR 2013**

**Lory Dark has been a dedicated member of the volunteer staff of the Portland Township Community Caring organization for many years.**

**Community Caring is a registered charitable organization located in the Princess Anne Building in Hartington. They receive donations of used clothing, household items, toys and books from the community. Lory and her volunteers sort and price the articles which are then sold for a very modest amount. Their mission is Reuse, Recycle and Reduce. Lory helps to distribute the funds that are taken in and in turn the funds are donated to community associations such as the Township Firefighter's Association or Southern Frontenac Community Services.**

**Although Lory would be the first to admit that it takes a team of dedicated volunteers to manage the never-ending administration of the Centre, Lory is being recognized for her years of dedication leadership, including the successful application in 2011, when she was the Chairperson, to become a Committee of the Township of South Frontenac.**

**The Township recognizes and salutes Lori Dark who, with the help and support of her husband Brett, has made and continues to make such a rich contribution to the welfare and quality of life of the citizens in South Frontenac.**
