

CITATION FOR WAYNE CLOSS

VOLUNTEER OF THE YEAR 2012

“Wayne started volunteering at the age of eighteen with hockey and continued until age thirty. He is most famous for his devotion to the baseball program. He started volunteering for his son’s T-Ball team, and continued to be involved in coaching, umpiring and other aspects of baseball for approximately 31 years. There is not a child who played baseball or hockey growing up in South Frontenac, that wouldn’t know who Wayne Closs is. Wayne also volunteered with the Harrowsmith & District Social & Athletic Club. He was the official baseball director from 2004 to 2011. He also served up some of the best barbequed hamburgers and hot dogs during our “Canada Day in the Park” celebrations in Harrowsmith.

As a citizen of South Frontenac, Wayne Closs should be recognized for his outstanding contribution to the youth of South Frontenac Township.”

We wish to thank Wayne Closs for his many contributions to this community by recognizing him as Volunteer of the Year.
