

TOWNSHIP OF SOUTH FRONTENAC PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release

September 18th, 2020

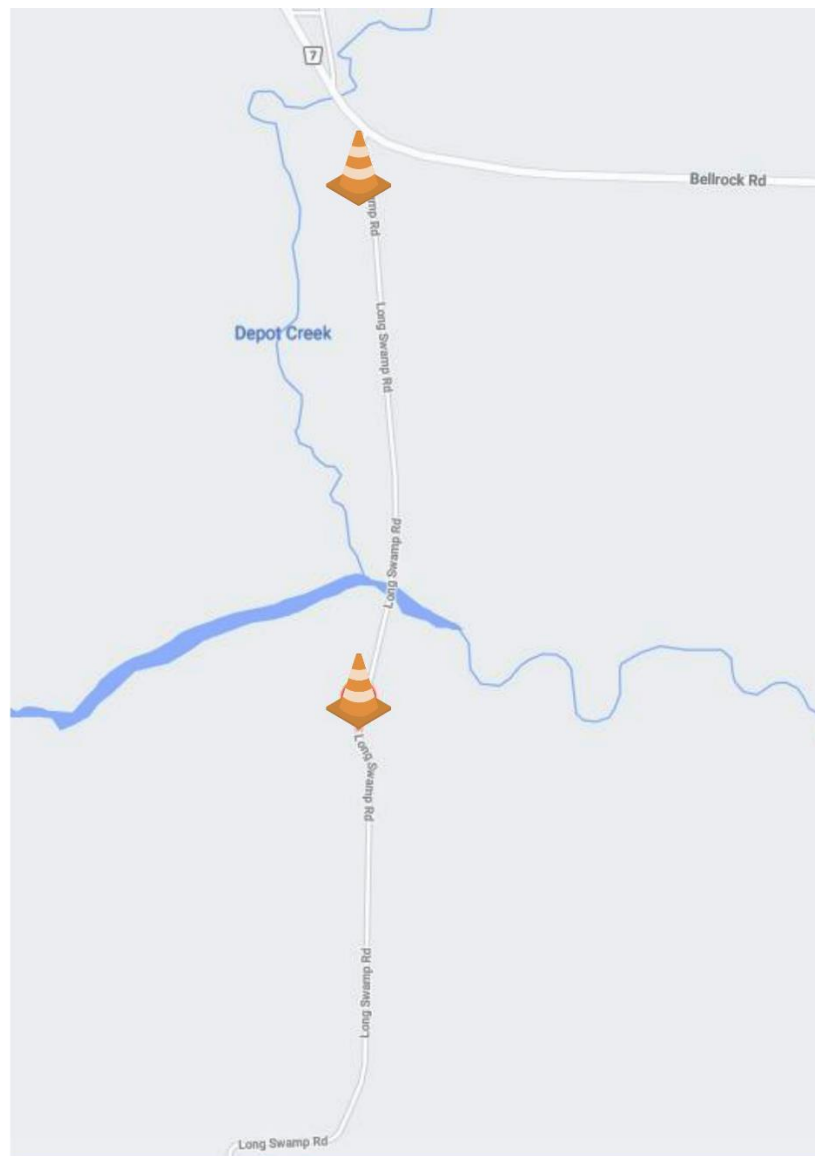

Emergency Road Closure: Long Swamp Road Bridge

Effective September 18, 2020 at 1:00 pm, the Township will be closing the Long Swamp Rd Bridge until further notice.

This closure is the result of safety concerns surrounding Long Swamp Rd Bridge. Township Staff is in the process of undertaking a structural assessment of the bridge to determine what, if any, remedial work is required.

Due to the bridge closure, the Township will also be closing Long Swamp Rd from Bellrock Rd to just south of the Long Swamp Bridge. This closure will not affect access to homes in the area, which can continue to be accessed by Long Swamp Road from the South via German Rd or Huffman Rd. Access to Bellrock Rd can be obtained via Road 38 in Verona.

For more information, please contact our Public Services Department at 613-376-3027 ext. 4331.

**Road Closure:
Long Swamp
Road Bridge**
