

TOWNSHIP OF SOUTH FRONTENAC

Call for Committee Members

For Immediate Release

December 11, 2020

Township of South Frontenac Seeking Heritage Committee Members

Rich in agricultural heritage and home to the Rideau Canal UNESCO World Heritage Site, the Frontenac Arch Biosphere and many other historical properties and buildings, South Frontenac is a vibrant community that has deep roots in the past.

Established in 2018, the South Frontenac Heritage Committee is made up of passionate community members with an interest in sharing and preserving local sites of cultural and historical significance across the Township.

The Ontario Heritage Act requires a municipality to maintain a register of properties which have been designated as having cultural heritage value or interest.

In order to promote and work towards furthering the goals of the Committee, the Township is looking to add a few additional members to the team. There are currently **three (3)** vacancies on the Committee that the Township is hoping to fill.

Interested residents are encouraged to submit an [application](#) or resume to the Clerk no later than 4:00 pm on Tuesday January 5th, 2021. Submissions can be sent via email to admin@southfrontenac.net, in person, or by mail to 4432 George St., PO Box 100, Sydenham ON, K0H 2T0.

Council will consider candidate selection in early January, with the first meeting for new appointees to take place towards the end of January. Meetings may require electronic participation from group members.

For more information about the Heritage Committee, please review the attached [Committee Terms of Reference](#), visit our website, or contact Anna Geladi, Planner, at 613-376-3027 ext. 2350 or via email to heritage@southfrontenac.net.
