EXEMPTIONS

- 4.1 A stored trailer, as defined in Section 2.3 does not require a license.
- 4.2 Where a building permit for a single family dwelling unit has been issued by the Township's Chief Building Official, and where the Zoning By-law permits such, the permit holder may enter into an agreement for the placement of a trailer on the property where the unit is being constructed or reconstructed solely for the purpose of the construction and only if any applicable fees are paid and the trailer is promptly removed prior to the expiration of the said building permit

- 5.3 The license fee is payable in advance for one (1) year, or for the number of months remaining in that calendar year.

The refund will be calculated from the first day of the month following re-location. The onus is on the landowner to provide supporting documentation of the date of such removal.
- 5.5 The license fee is imposed upon the owner of the property on which the trailer is located. If the owner fails to make payment of the license fee in any year the fee shall be deemed overdue and such overdue license fees shall be collected in a like manner as municipal taxes.
