5. Staff Sergeant Report

From the press releases the board was advised that there has been a large number of break-ins, many have been solved. Twelve have been cleared and one individual has been arrested. These break-ins have mostly been in the north of the township at cottage properties where a vagrant was moving from cottage to cottage. Overall they have a 50 percent clearance rate on break-ins.

There has been an increase in the number of impaired driving charges being laid recently.

False alarms and 9-1-1 calls continue to present a resource challenge for the OPP.

Three young offenders caught 4-wheeling were all fined and the vehicles had obscured VIN numbers.

As a result of complaints from the Verona area, speed enforcement was instituted, however the charges were all for local residents. Citizens had thanked the police for their presence.

With regard to R.I.D.E. program, there was a question; in the summer are marine vehicles tracked in the same manner. It was noted that only incidents get recorded.

6. Correspondence

(i) Oscar Mosquera, Manager, Program Development Section, Ministry of Community Safety & Correctional Services, re: R.I.D.E. Program for the 2010-2011 fiscal year

This item was routine in nature confirming our allocation to cover over-time for the ride program.
