- The individuals that set off the fireworks in Loughborough have written a letter informing Chair Mike Howe that they will no longer be able to do so because of concerns regarding incorrect storage.
- Chair Mike Howe will look into the specifics of the complaint and if there is a resolution.
- Dan Bell suggested that the districts begin to seriously consider the idea of amalgamating the Canada Day festivities.
- Councilor Pat Barr suggested running busses from other districts to the festivities in order to alleviate the parking dilemma if there were to only be one Canada Day site.

c. 9-1-1 Signage at Township Beaches and Parks

- Alvin Wood discussed the importance of 9-1-1 addresses and location information posted at South Frontenac Facilities.
- The committee agreed with the importance of the signage and will make a recommendation based on additional information to follow.
