

Public Meeting Format

Presentation of the Application:

A summary of the Application will be presented to Council by either a member of the Planning Department or the Agent/Applicant.

Please Note: During this stage of the application process, a holistic review of the application has not been completed by Township Staff and/or stakeholders.

Questions/General Comments from Council:

Members of Council may pose questions, relay comments provided by residents to staff or make general comments related to the application.

Please Note: During this portion of the process, members of Council are unable to offer their support or opposition to the application until Council has an opportunity to consider a subsequent report and associated resolution tabled by staff.

Questions/Comments from Members of the Public:

Members of the public are afforded an opportunity to speak to the application for up to five minutes. Members of the public are requested to provide all comments/questions during their statement. There is not an opportunity to discuss comments/questions with other parties.

Please Note: At the conclusion of a statement from a member of the public, Planning staff will have discretion to respond to procedural or simplistic land use planning questions. All questions/comments, and any answers provided if applicable, will become part of a subsequent report.
