A welcoming and thriving rural community.

2. Moves may be made during DAYLIGHT HOURS, except Saturdays, Sundays and holidays and except between the hours of 7:30 to 9:30 a.m. or 4:30 to 6:30 p.m. when in congested areas.
3. This permit may only be used for **purpose** designated above.
4. Every precaution must be taken to safeguard other users of the highways. Escort vehicles shall be as required by Ontario Provincial Police and the present holder, or representative signing the permit, guarantees to notify the Police and all pole line utility companies 48 hours in advance of the move.
5. This permit is valid only on Township of South Frontenac roads between the points named. If other roads must be used out of necessity, permission must be secured from proper authorities.
6. The person or company for whom this permit is issued agrees to hold blameless the Township of South Frontenac for any damage which may result from the movement of this load or object and to indemnify the Township of South Frontenac for any damage caused to Township property.
7. This permit is subject to half load restrictions when and where applicable in accordance with section 121 of [The Highway Traffic Act](#), R.S.O. 1990, Chapter H.8.
8. **This permit is to be carried by the driver and is subject to the provisions of the Public Commercial Vehicles Act.**
9. This permit is not valid for passage over bridges on which signs are displayed indicating restricted loads or gross weights.
10. Subject to condition 1, vehicles and loads having a width in excess of 2.6 metres (8.5 feet) and/or an overall combined length in excess of 23 metres (75.4 feet) must display in a conspicuous position to the front and rear a clearly discernible sign reading “**CAUTION WIDE LOAD**” or both, as the case may be.
11. This permit may be cancelled without prior notice and is automatically terminated if any of the above conditions have been contravened.
12. This permit does not exempt the holder from meeting the obligations of the Highway Traffic Act with respect to reduced loads during the period defined for reduced loads.
