- Consents (severances)

### Operation

The Committee of Adjustment may authorize minor variances from the zoning by-law, permit extensions and enlargements to legal non-conforming uses, and grant consents (severances). Decisions are made considering the following:

1. An application for Minor Variance consider the following "four tests":
  - Whether the variance is minor;
  - Whether the variance is desirable for the appropriate development or use of the land, building or structure;
  - Whether the general intent and purpose of the Zoning By-law is maintained; and
  - Whether the general intent and purpose of the Official Plan is maintained.  
The Committee may impose conditions in authorizing a minor variance.
2. An application for permission to enlarge or extend a building or structure that is a legal non-conforming use, or for a change in legal non-conforming use, consider the following tests:
  - Whether the enlargement is desirable for the appropriate development or use of the land, building or structure; and
  - Whether the enlargement would have an adverse impact on the neighbourhood  
The Committee may impose conditions in permitting an enlargement to a legal non-conforming use.
3. An application for Consent to Sever a property or for any agreement, mortgage or lease that extends for more than 21 years under Section 53 of the *Planning Act*:
  - Must have regard to the same matters as for a Plan of Subdivision when considering an Application for Consent (s.51(24));
  - The Committee may impose conditions to the approval of a severance.

4. Applications for Validation of Title and Power of Sale;
5. Having regard to Provincial Policy Statements (PPS), the County of Frontenac Official Plan and the South Frontenac Official Plan and Zoning By-law.
6. The Committee shall follow the Township of South Frontenac Committee By-law and Council Procedure By-law.

### **Notice**

A 'notice of the decision' is circulated following the meeting and all Committee of Adjustment decisions made under the *Planning Act* are subject to appeal to the Local Planning Appeal Tribunal. The Committee must also satisfy requirements concerning notice, public hearings, notice of decisions and recording of proceedings. No third party appeals are accepted pursuant to Bill 23.

### **Hearings**

The goal of the Committee of Adjustment is to provide for and conduct a fair hearing by:

- Allowing anyone wishing to speak to an application an opportunity to do so.
- Giving due diligence to the consideration of each application.
- Openly having all discussions about each application and making all decisions in public at the hearing.
- Making rational decisions with appropriate, well-thought-out conditions.
- Clearly stating the reasons for the decisions.

### **Quorum**

Notwithstanding the South Frontenac Township Procedure By-law, consistent with the *Planning Act*, three members constitute a quorum for consent, minor variance, and legal non-conforming use applications.

### **Voting**

Voting is by simple majority on the application. A tie vote means the application is refused.
